

# HOMESTEAD COTTAGE

## WINE LIST

---

Our individualised list offers a selection of hand-chosen wines to compliment Robbie McCauley's cuisine, capturing the deliciousness of the terroir of Co. Clare.

At HOMESTEAD COTTAGE, we focus on wines produced by wine growers who respect their land and nature to pair with our sensitive cooking created with bountiful and locally sourced ingredients, as well as home-grown products from our small farm in Doolin.

From classics - with an emphasis on Burgundy, which is also Sophie's homeland - to little known gems, we hope you will enjoy our wines at the table of our small restaurant set in a traditional Irish cottage.
